Center holding a statue, Door and electric bell on the right along to the respective characters.

## Student Feedback

Bvoc Theatre and Stage craft in Wilson's taught me a lot of things. I've learnt about various different aspects of theatre! The faculty is hard working and they strive to make this an enjoyable and a unique experience  
-Vipraa Vijayakara

It was like a place where I realised a lot things as an artist which I will apply to my art form in the future .  
-Mary George

Being able to freely interact with the Resource Faculty was very valuable especially because we got to know first hand the experiences of such a renowned theatre practitioner.  
-Fiona Francis

Physical Theatre, the introduction to it was so perfect. Content put forth was entertaining, educative and effective. Getting into the character for a performance and how to act on the basis of it was the one thing that was really useful.  
-Yajan Joshi
