# Wilson College

(Autonomous)

AQAR 2021 – 22

**7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC**

1) The Co-operative Education Programme (CEP)

The objective is to bridge a gap between industry and academia for second year students.

The students are oriented about possible career options and requisite soft skills to be competent and confident professionals.

The programme has three distinctive phases: Lecture, Camp and Placement.

There is zero dropout rate.

Ex-CEPians come as resource persons to take sessions as professionals, and testify about the benefits of their participation in the programme as students.

2) Green Initiatives

Throughout the year Green warriors conducted various activities related to environment.

- 670 tetra packs recycled.
- Over 150 plastic pots recycled at no profit no loss. Golden spiral school, Tardeo was supplied with 100 pots.
- Over 300 cotton bags sold in the year 21-22.
- 41 bags of 2kgs each = 84kgs of compost sold.
- Blank one-sided papers were removed from the journals, notebooks and were used by faculty and students.
- Sparrow, Parakeets population restored at college premises. Also promoting people to adopt bird feeders. Over 25 bird feeders sold at no profit no loss.
- Plastic, Paper, e waste, glass, metal from college departments and activities collected and sent for recycling with the NGO.
- A whatsapp group which facilitates cab pooling specially for short distances like to and fro from station to college. Open for all students, staff and non-teaching.
