Wilson College

NOTICE

FOR F.Y.B.A. AND B.Sc. STUDENTS

As the offline lectures and practicals will commence from 7th Feb 2022, all students who have completed two doses of vaccination are expected to come to College to attend the lectures and practicals physically.

For the benefit of the students who have not completed the two doses of vaccination, the teachers will upload the summary of the lectures on google classroom and will also have an online meeting once a week to clarify the basic concepts taught during the week and resolve the difficulties if any.

This is the Interim Arrangement. The students are expected to start attending college as soon as possible.

Due to repair work the hostel facility is suspended temporarily. If the facility is resumed, it will be intimated on the website.
